

Recently the State of Michigan released student M-STEP scores from 2015-16. All parents and guardians of 2015-16 GRCDC students will receive a letter and individualized student reports at their home addresses. These parent reports do not share much context. To help you interpret your child's report, please consider the averages for the county, state and other local schools. If you have questions about your child's report, please do not hesitate to contact me or Brooke Haslacker, our Assessment Coordinator and Discovery E teacher, at haslackerb@grcdc.org. Please stay tuned for information regarding instructional and school-wide decisions being made to positively impact the assessment scores for all students at the GRCDC. Thank you! Sarah Cooper (coopesar@grcdc.org)
