***"Education Based on Relationships"** -- The Grand Rapids Child Discovery Center (GRCDC) is a diverse, urban, K-5 school in the heart of Grand Rapids, MI. The school believes education is based on relationships; relationships to others, to ideas, to the environment and the larger community. This approach is based on the Reggio Emilia method which encourages curiosity, discovery and connectedness. This shared experience in passionate discovery engages all members of our school community in co-constructing a unique and effective education.*
