### HOLES

The Yelnats suffer from a family curse and fourteen-year-old Stanley Yelnats is feeling the pain. Convicted for a crime he didn't commit, Stanley is sentenced to Camp Green Lake, where nothing is green and no lake is in sight. The Warden has the camp boys spending their days digging holes under the brutally hot desert sun supposedly to build character but soon we learn there may be another reason the warden has them digging holes. Stanley will discover, and perhaps put an end to the family curse. **Recommended for age 8 and up audiences.**

**Group ticket prices are just \$8/ person**

The theater will reserve a group of seats together and tickets will be available at box office day of the show. Doors open at 1:30pm- 30 min's prior to start time
